

MEDIA STATEMENT

4 March 2022

The Queensland Performing Arts Centre (QPAC) will remain closed until further notice due to ongoing flood impacts, cleaning and water damage.

Further to performances being cancelled until Sunday 6 March, we regret to now advise that **performances scheduled up to and including Thursday 10 March 2022, will no longer go ahead.** This includes performances of *Frozen the Musical* and World Science Festival Brisbane.

All ticketholders for these dates have been contacted by email with further information. All *Frozen the Musical* ticketholders will be able to be transferred into performances later in the season and will be contacted directly by QTIX to secure new dates.

World Science Festival Brisbane ticketholders have been contacted by Queensland Museum via email and will be automatically refunded for performances scheduled at QPAC.

Although the QTIX Call Centre has been relocated and is operational once again, QTIX staff are unable to take inbound calls at this time and will be focused on refunds and contacting impacted ticketholders to process transfers.

Further general updates will be communicated via QPAC's social media channels and website. Any further impacts on performances will be communicated directly to affected ticketholders via email.

Please direct any media enquiries to publicity@qpac.com.au.
